Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Review of applicants' request to change data as it appears in claim 1 has determined the modification unwarranted. The change has been found to broaden the scope of the claim. Accordingly, correction is not warranted under United States Code (USC) 254 or 255 and Code of Federal Regulation (CFR) 1.322 and 1.323.

In view of the forgoing applicants' request in this matter is hereby denied.
